**Kiosk
Mode**

Secure Kiosk App

Lock Down + Password Protection

In addition to providing a secure kiosk mode our app allows for content to be updated on the fly remotely. Includes auto-refresh, returning to the home page when a user walks away and screensaver to display ads and videos when idle.

- ✓ Screensaver Mode
- ✓ Auto-Refresh
- ✓ Password Protected
- ✓ Cloud Connected

**Remote
Access**

Complete Tech Support

Hassle Free Maintenance & Updates

Receive technical support remotely from our headquarters. We perform maintenance, updates and troubleshoot your kiosk via our remote app platform. This limits the requirement for onsite support and safeguards performance.

- ✓ 24/7 Access
- ✓ Maintenance
- ✓ Troubleshooting
- ✓ Kiosk Management
